

ANNUAL VIP RIDE

AND WORKSHOPS

FRIDAY, OCTOBER 18TH, 2024
DYRACUSE RECREATIONAL PARK
1047 COUNTY ROAD O, NEKOOSA, WI

THE NOHVIS GROUP INC.

IMAGE IS EVERYTHING

The leadership team of the nationally acclaimed NOHVIS Group would like to share some of our successful accomplishments, working in partnership with the Wisconsin ATV UTV Association and the Wisconsin Department of Natural Resources. This success story starts with the anchor of the program, our uniquely structured and professionally implemented Trail Patrol Ambassador network of dedicated volunteers. NOHVIS Group professionals provide quality administrative and management duties, which in turn provides the volunteer corps with a meaningful and worthwhile experience while interacting with the ATV UTV riding public. Our trained volunteers are very visible, serving as positive role models for others to follow. Trail Patrol Ambassadors provide an invaluable community service, providing the ATV UTV world with real life, personal contacts while providing educational opportunities with riders out on the public trail systems.

As important as the trail ambassador's role is, our overall program is more than just implementing the trail patrol program. Our NOHVIS Group core team works alongside many different entities and agencies, always striving to develop a positive direction for the ATV / UTV sport. Together with our many private and public working relationships, we promote safe and responsible riding while serving as strong leaders for the sport and industry.

The leadership team for the Wisconsin ATV / UTV Association would like to invite you to this years annual VIP Ride and workshops!

EVENT INFORMATION

The WATVA Annual VIP Ride is once again providing a chance for our “very important persons” and/or their staff to ride an ATV or UTV on a Wisconsin funded trail system and visit with members of our office and volunteers.

Discussions are held throughout the day with various representatives about topics of your choice.

SAFETY COURSE

Safety Course Information:

Wisconsin has mandatory safety education for anyone riding a public trail. The requirement for this certification is:

Anyone who is at least 12 years old and anyone born on or after January 1, 1988. These ATV operators must carry their safety certification card and they must display it to law enforcement officers when requested.

Exception: In 2013, the Wisconsin ATV Association helped pass legislation to exempt the mandatory safety education rule during an organized demonstration ride. The VIP falls under this type of event so participants do not need to have any ATV safety certificate.

A brief introductory safety course will be conducted on site for those that do not know how to ride. This is not the same DNR safety course mentioned above.

Register:

To register for the WATVA VIP ride please email info@watva.org with the names of the representative and staff attending, club member names or WATVA member name. You can call our office at (920) 694-0583 or write us at:

TRAIL AMBASSADOR INFORMATION

The Trail Ambassadors are a visible presence on the trail systems. This presence sends a powerful message to all of the users, as well as the land managers and local citizens that are connected to the trail system.

The trail ambassadors focuses on the following items:

- Assistance to stranded or lost riders
- Law and ordinance compliance
- Safety concerns regarding trail conditions
- Trail sign issues
- GPS mapping services
- A presence of volunteers that are dedicated to a positive image of their sport

Our trail ambassadors are trained to not only be a watchful eye for the items listed above, but to be an ambassador of the sport. We pride our trail patrol services on lending a helpful hand to anyone that needs assistance.

During the VIP Ride, groups going out on the trail must have a team of trail ambassadors with them. This is for everyone's safety.
